## **INFORMATION DISCLOSURE STATEMENT (IDS)**

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR §§ 1.56, 1.97, and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached Form PTO-1449. Copies of all documents listed on the Form PTO-1449 (C1-C26) are submitted herewith. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

Application No.: 10/807,746 Docket No.: 28335/39196A

This Information Disclosure Statement is being submitted before receipt of the first official action on the merits in the above-identified patent application. Accordingly, it is believed no fee is due in this matter pursuant to 37 C.F.R. § 1.97(b). The Commissioner is authorized to charge any fee due related to this statement to Deposit Account No. 13-2855.

Dated: July 9, 2004

Respectfully submitted,

Sharon M. Sintich
